PROFILE

I'm Sayan Chakrabarty, a Multimedia and Animation professional based in Kolkata, with over 2+ years of full-time experience across both corporate and agency environments, along with 1 year of internship experience.
I graduated from St. Xavier's College, Kolkata, and hold a Master's degree in Multimedia and Animation, where I built a strong foundation in design, animation, and filmmaking.
I specialize in creating visually compelling and engaging content across a wide range of formats, including:
> Animated intros and short films
> Promotional and brand videos
> Poster and visual design
> Photography and videography
> CG product advertisements
I work with industry-standard tools such as Adobe Creative Suite, Blender, Autodesk Maya, and Microsoft Office, enabling me to deliver solutions that are scalable, creative, and performance-driven.
Beyond work, I'm passionate about gaming, photography, history, and travel, which continuously inspire my creative perspective and storytelling approach.
